Note: When you see typing in “**CAPS**” like this, make sure you are drawing on the sketchboard as you teach

Purpose of the lesson: To teach what are angels, demons and the origin and fall of Satan. Overall, God is the Most-High over all spirits, good and evil.

Introduction questions: How many kids here believe in angels? How many people here believe in ghosts? Today, we are going to talk about angels, ghosts, demons, and who is the devil?

- A). In all the universe **GOD** rules. No one is greater than God.
- B). Therefore, another name for God is **THE MOST HIGH**. God is the boss and in control of all things. God is higher than the president, angels, and even the devil. Who is the devil, and where did he come from?
- C). In **HEAVEN** God wanted to make spirit beings to help him run the universe and the world he was going to make. So, in Heaven probably before God created the world, God make spirit creatures called **ANGELS**. The angels watched God alone make the world, and saw He was The Most High.
- D). What is the purpose of the angels God made? Angels were made to be His **SERVANTS**. God says “Do this...” and they do it for him. If God wants to bring a message to someone, often God would send an angel. Angels are also very powerful.
- E). All the angels God made in the beginning were **GOOD**, and were made to **OBEY** God in everything He commanded (Note: make sure you use black paint to paint over the wax words. Then you can fill in with red the heart).

- F). One of the highest ranking angels God created was named **LUCIFER**. Lucifer had access to the throne of God and saw how much power and authority God had. In Lucifer's heart he began to say, "I want to be like God, I want to take over God's throne etc." When Lucifer did this, **PRIDE** was found in his heart, and Lucifer committed the very first **SIN** against God.
- G). Lucifer's sin was flat out rebellion. Now Lucifer's name would be changed to **SATAN** which means adversary. God now has an enemy. Multitudes of other angels saw what Lucifer had done, and instead of choosing God, they chose to follow Satan in his rebellion. Now these bad angels are called **DEMONS**. Now as a punishment God would not allow them to stay in Heaven, so by this time the earth was created, and God **CAST THEM DOWN TO THE EARTH** (draw in green arrows)
- 1). How many kids here believe in ghosts. What are ghosts? From what I have taught you, where are the demons and devil still today (many will say hell)? They are still on the earth where God put them. And because many people don't know the truth about bad angels, these bad angels appear to people and trick them, and people call them ghosts, but they are really demons or bad fallen angels. Demons have powers to make themselves look like people, children, animals, and can even talk. Never look for ghosts or talk to them, because all they are are demons who hate God and hate you. If you ever see something that scares you, call out to Jesus to take it away and protect you. Also, never watch scary or horror movies. The people who make those movies are influenced by demons and those movies open up a spiritual door for demons to enter your home.
- H). Once Satan and Demons rebelled against God, God created a place of torment called **THE LAKE OF FIRE** in which one day that will be Satan's forever place of punishment. Right now, Satan is on the earth trying to steal, kill and destroy peoples lives. He is a liar and wants people to not trust in God and trust His Word the Bible.

Conclusion: Does anyone have any questions? (This lesson always brings out a lot questions, even get admitting they see spiritual activity in their home).
