

### CHILDREN MINISTRY

I have been blessed to see the desire of these children for God's Word each time we come to their neighborhoods. The children from these areas are hungry for a message of hope and that is exactly what we give them by preaching and teaching them about what Jesus Christ did for them by coming to earth, taking on flesh, leading a sinless life, dying in their place, and rising from the dead to give them victory over sin and newness of life. This is a message that some of these children have never heard before and I have seen how OAC has impacted the lives of many children. The opportunity to spend time with these children after the message is preached and showing them the love of God is such a joy.

### THE GREAT COMMISSION

Mark 16:15 tells us to "Go into all the world and preach the gospel to every creature."

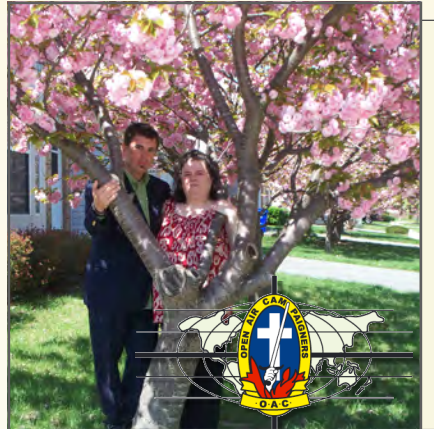

### COME, PRAY, GIVE

MISSIONARIES SINCE 2008

We have been serving with Open Air Campaigners in Washington D.C. since the spring of 2009. We officially became missionaries with OAC in the fall of 2008. It has been a privilege to be able to proclaim the gospel on the streets of Washington, Silver Spring, Baltimore, Ocean City, and many other locations. Inside you will find a small sample of how God has used us and how God can use you also.

# Sharing in the gospel

## Short-term mission trips

I have worked with several churches in doing short mission trips. These trips can range from a weekend to a week depending on the need and availability of the group. I have found these trips to be very beneficial to many young people in determining the direction God is leading them.

### COLLEGE MINISTRY

Preaching the gospel on colleges has been very rewarding and has made an impact on many students. We have made it regular part of our week to go to campuses and have been able to develop friendships with many of the students. Many students come out week after week to talk with us and to listen to the messages that are preached. Because of the consistency that we are able to have on the colleges I know God is using us to plant many seeds of the gospel.

The ability to go out into the community and take part in the preaching of the gospel can be life changing.
